What are the advantages of mastering French?

Mastering French is useful because...	Which makes it easier to...
it allows you to communicate effectively with other French speakers.	build relationships.
it allows you to present arguments, broaden your opinions, express your point of view, and develop critical thinking skills.	defend your rights, communicate specific requests, and make judgments.
it allows you to express yourself clearly and precisely.	look things up online, communicate clearly whenever you need to get your point across quickly, and complete oral and written projects.
it contributes to intellectual development and the ability to conceptualize, make abstractions, and articulate thoughts.	understand yourself and others, grasp abstract concepts, and learn other languages.
it allows you to verbalize and understand your emotions.	feel emotionally balanced.
it improves your reading comprehension.	think critically about advertising, contracts, and other legal documents.
